

**Training & Conditioning and School Health  
announce the 6th annual:**

# MOST VALUABLE ATHLETIC TRAINER AWARD

**To honor:** High school athletic trainers who have become MVPs in their athletic departments by going above and beyond their job duties to deliver the best sports medicine care to their athletes.

**Criteria:** To be considered, an athletic trainer must work with high school athletes (in either a school or clinic setting) and have the following qualities:

- Have earned the respect of coaches they work with and student-athletes they care for
- Go beyond their job description to support student-athletes
- Put in extra effort to make the athletic training program the best it can be
- Serves the local or larger community through community service

**Note:** The nominee must be committed to attending the 2018 NATA Convention in New Orleans. The winner will receive reimbursement for up to three nights of hotel expenses as well as convention registration fee, courtesy of School Health.\*

\*Maximum reimbursement amount not to exceed \$750. Recipient to provide receipts to School Health for reimbursement.

**Nominations:** Please provide us with a 400-800 word description of how the nominee fits the criteria. Any supporting materials are welcome. Full contact information (e-mail and phone number) for both the nominee and the person nominating must be provided.

**Winner:** Will be featured in the May/June issue of *T&C* and honored at the NATA Convention. He or she will also receive a plaque and product-related prizes.

**Questions:** Please feel free to contact us with any questions:
